

ATTENTION HIGH SCHOOL JUNIORS AND SENIORS!

Are you looking for an idea for your senior project? Boxes of Hope would love to team up with you! Boxes of Hope is a breast cancer 501c3 nonprofit organization located in Mill Hall. We send care packages and mastectomy pillows to anyone in active breast cancer treatments. We are a very small organization, and we rely completely on the generosity of others.

Our care packages are making positive impacts in the lives of those who receive them by giving them hope and encouragement to get through their treatments.

Some project ideas include but are not limited to:

- Collecting items that we put in our care packages. We will provide a list of items.
- Make jewelry or other items to put in our care packages. We can help with ideas.
- Host an event to raise money for Boxes of Hope such as:
 - 5K (virtual or in person). Color Run. Walk.
 - Dinner (such as spaghetti dinner, etc.) or bake sale.
 - Event such as a concert, car show, carnival, sporting event, tea party, basket raffles, craft vendor fair, etc.
- Get creative and come up with your own ideas!

We will also help advertise your event on social media and even on our website if you would like us to do so. We will email you a release form for your parent to sign. Please take pictures of your project/event and share them with us! We would love to see them! Also, if the event fits into our schedule and is within a reasonable traveling distance, we would love to attend your event to support you!

Please let us know what idea you choose to do. It will be up to you to plan and coordinate everything for your project. We will gladly help however we can. We will provide any information you may need, and we will gladly sign any paperwork, or type up a letter, etc., that you need for your project. We will provide our EIN number and an official EIN letter if you need it. We would be honored to work with you on your project because together, we can spread hope one box at a time!

Please email us at info@boh4bc.org to let us know if you are going to partner with us and what your project will be.

You can also connect up with us on Paths To Careers website by scanning the QR code!

Visit our website at www.boh4bc.org to learn more about us.
