

BECOME ONE OF OUR PARTNERS IN HOPE MONTHLY DONORS!

Boxes of Hope relies completely on the generosity of others to enable us to provide hope and encouragement to the breast cancer patients and survivors in our community, and around the country.

Our new office is located in the heart of downtown Lock Haven which will allow us to minister to the breast cancer patients and survivors in our community in more tangible ways. But we can't do it alone. We need partners like you to help us minister to the women in our community and beyond.

Who can become a Partner In Hope Monthly Donor? Everyone! We would love to partner with individuals, families, organizations, businesses, and churches!
